

## Fatra FF807 Environmental Profile, Ecopoints & Green Guide Rating

Specification (As installed over 60-year study period)	2008 Methodology			
	Element number	Buildings assessed	Ecopoints	Green Guide Rating
Timber joists, plywood (temperate EN 636-2) decking, vapour control layer, insulation, <b>FF807 2.6 mm</b> single ply waterproofing membrane	1712540001	Domestic	0.402	A+
		Healthcare, Industrial, Offices, Retail, Education	0.326	A+
Pre-cast pre-stressed concrete hollow slab, screed, vapour control layer, insulation, <b>FF807 2.6 mm</b> single ply waterproofing membrane	1712540002	Domestic	1.05	C
		Healthcare, Retail	0.969	C
		Industrial, Offices, Education	0.956	B
Timber joists, plywood (temperate EN 636-2) decking, vapour control layer, insulation, <b>FF807/V 1.9 mm</b> single ply waterproofing membrane	1712540003	Domestic	0.358	A+
		Healthcare, Industrial, Offices, Retail, Education	0.282	A+
Pre-cast pre-stressed concrete hollow slab, screed, vapour control layer, insulation, <b>FF807/V 1.9 mm</b> single ply waterproofing membrane	1712540004	Domestic	1	B
		Healthcare, Retail	0.925	B
		Industrial, Offices, Education	0.912	B
